Education

MGM college of engineering and technology

Bachelor of Engineering in Electrical Engineering

Sep.2020 – May 2024

Navi mumbai, Maharashtra

Relevant Coursework

- Data Structures
- Algorithms Analysis
- Operating Systems
- Systems Programming
- Software Methodology
- Database Management
- Internet Technology

Projects

FreshMart - Ecommerce Portal | *React.js, MongoDB, Express.js, Node.js*

- FreshMart is an online platform developed to simplify the process of buying fresh fruits and vegetables. The website was designed with a user-friendly interface to ensure smooth navigation for customers of all age groups.
- Includes features like product listing, search and filter, shopping cart, user login, and secure checkout for a seamless shopping experience.
- Developed FreshMart, a user-friendly website for buying fruits and vegetables online.

Employee Management System | *Java, SpringBoot*

- Developed an Employee Management System to manage employee records, including adding, updating, and deleting employee details..
- Handled employee data operations such as CRUD (Create, Read, Update, Delete) with efficient backend logic and database integration.
- Applied Spring Boot framework for backend development, REST APIs for communication, and MySQL for data storage.

Sorting Algorithm | *Java, Data Structures and Algorithm*

- Built a project demonstrating various sorting algorithms for efficient data arrangement and performance comparison.
- Designed implementations of algorithms like Bubble Sort, Selection Sort, Insertion Sort, and Quick Sort.
- Applied sorting logic with step-by-step execution and analyzed time complexity for each algorithm.

Technical Skills

Languages:Java, JavaScript

Front End Technologies: HTML, CSS, React.js

Backend Technologies: Node.js, Express.js, SpringBoot, Microservices, REST-API

Database Technologies: MySQL, MongoDB

Developer Tools: VS Code, Eclipse, SQL Workbench, Mongo Compass, STS

Leadership / Extracurricular

Mangalam

Head Coordinator

MGM Colleges of Engineering And Technology

- Led and managed the overall planning and execution of Mangalam Cultural Fest.
- Coordinated with different teams, handled event scheduling, and ensured smooth communication between organizers, participants, and volunteers.
- Supervised logistics, resolved on-ground issues, and ensured successful completion of all events within deadlines.

Managalam Cricket Club

Captain

MGM Colleges of Engineering And Technology

- Led the college cricket team by managing match strategies, player coordination, and team performance.
- Demonstrated leadership, decision-making, and teamwork skills during inter-college competitions
- Motivated team members, handled pressure situations, and ensured effective communication on and off the field.

Achievement

Recommendation for SSB

Indian Navy

- I got recommended for SSB for Indian Navy which took place at Bangalore 12 SSB south .
